The training camp package includes a completely full board service. In the morning a delicious breakfast buffet is served that leaves nothing to be desired. For lunch and dinner, your individual tailored menu can be cooked in the modern kitchen. In this matter, the kitchen team contacts you before the training camp starts.

Whether in the modern designed restaurant, in a separately defined area or on one of the big terraces with a view onto the lake – in de Bovenste Molen you choose the location for your meals.

„Quality and variety of meals in exclusive surroundings serve as a basis for sporting excellence. “

The Hotel de Bovenste Molen offers exceptionally good opportunities for team meetings, conferences or training sessions. The hotel itself disposes of 6 multifunctional, well equipped and light-flooded meeting rooms. Some of these rooms offer a great view to the nature.

All meeting rooms are equipped with a projector, a sound system, magnetic walls, boards, flip charts and meeting materials. Electronic game consoles can be connected and used in the rooms, as well as in the conference- and lounge-rooms. In addition, the team has a well-equipped and easy-to-reach material room and a comfortably equipped massage room including three massage tables. These services are also integrated in the training camp package and free of charge for the team.

The Hotel de Bovenste Molen has a comfortable swimming pool, a gym, luxurious Saunas and a small wellness area. These facilities are for free for the team. The idyllic nature protection area around the hotel de Bovenste Molen offers the team a lot of jogging and biking routes. Bikes for free usage is included in the training camp package.

Team-Building – this topic get a high priority in the preparation for a match or a whole season in modern professional football. In the close neighbourhood of the hotel de Bovenste Molen you find a wide range of teambuilding opportunities. The leisure facility “Blue Lagoon” adjoins directly to the spacious ground of the location. Focal points of this wide facility are water sports. Kayak-tours or waterski-action, you’ll find something for everyone. The sandy beach and the clear water of the nature lake offer the perfect situation to swim and relax.

For sports activities you also find beach-volleyball- and soccer-fields, as well as a professional climbing forest. If you like it a bit faster, so you can make a trip to the Indoor-Kart-Arena in Swalmen, Netherlands, just a few kilometres away from the hotel de Bovenste Molen. A team-event on the racecourse offers a variety during a training camp.

„Activities beside the training fields stimulate the team spirit and offer the necessary variety during a training camp.“

Only 10 kilometres away from the hotel de Bovenste Molen you find the 18-hole golf-course „Haus Bey“. In the landscape you find your drives and greens in between small rivers and lagoons, which offer a challenge to golfers of all levels. Just 30 minutes away from the hotel de Bovenste Molen , the capital city of North-Rhine-Westphalia – Duesseldorf is located.

Germany's most luxurious shopping street, the Koenigsallee, or the famous River Rhine Promenade pull each year millions of tourists from all over the world to Duesseldorf. A trip to the metropolis next to the River Rhine offers an interesting variation to the everyday training. International flair, the hippest shops and “the longest bar of the world” the old City of Duesseldorf, make the state capital city to a unique experience.

Professional training pitches are the central element of each training camp. Therefore 'Hotel de Bovenste Molen' offers excellent possibilities. Directly next to the hotel you can use the training facilities of the Dutch club VVV-Venlo. The professional training ground of VVV-Venlo offers numerous natural grass pitches and two artificial turf pitches, which can be used for free. You can reach the pitches in 5 minutes on foot. Alternatively, the freely available bikes can be used.

The main natural grass pitches and the artificial turf pitches dispose of a floodlighting system. In total privacy and away from paparazzi's and reporters, you can prepare your team in Tegelen for the upcoming tasks. The quality of Dutch football fields is famous all over the world and can be found at the pitches of VVV-Venlo as well.

Since many years, a lot of European top teams find their way to the German and Dutch border region to prepare for important matches or for the whole season. The hospitable behaviour and the excellent training facilities in the border- region of Germany and the Netherlands are the reason for this choice. Beside the fields located next to the hotel, there are more than four additional training locations from German and Dutch amateur-clubs who you can reach easily in less than 10km.

These facilities offer natural and artificial training grounds which fits to the highest requirements. Only 5 minutes away from the hotel de Bovenste Molen you find a well-equipped fitness centre, which offers a broad range of training equipment. On this modern gym equipment it is possible to increase the stability of the players and to focus on injured players.
